

**Amendments to the Claims:**

The following claims will replace all prior versions of the claims in this application (in the unlikely event that no claims follow herein, the previously pending claims will remain):

1. (Currently Amended) A composition to be spread on sanitary napkins for females comprising an aqueous extract of Galla Rhois and an aqueous extract of Artemisia Folia.

2. (Currently Amended) The composition in Claim 1, which further comprises one or more components selected from a group consisting of an aqueous extract of Sophorae flavescens, an aqueous extract of Phellodendri Cortex, an aqueous extract of Torilis anthriscus and alum;

wherein the aqueous extract of Galla Rhois is in an amount of 25-98% by weight, the aqueous extract of Artemisia Folia in an amount of 2-30% by weight, the aqueous extract of Sophorae flavescens is in an amount of 2-30% by weight, the aqueous extract of Phellodendri Cortex is in an amount of 10-50% by weight, the aqueous extract of Torilis anthriscus is in an amount of 1-20% by weight and Alum is in an amount of 10-40% weight based on the total dry weight of the composition.

3. (Currently Amended) The composition in Claim 2, which comprises an aqueous extract of Galla Rhois, an aqueous extract of Artemisia Folia, an aqueous extract of Phellodendri Cortex, an aqueous extract of Torilis anthriscus and alum.

4. (Cancelled)

5. (Cancelled)

6. (Previously Presented) A sanitary napkin prepared from the composition according to Claim 2.

7 -11. (Cancelled)
